

# BROWNIE DISCUSSION GUIDE

## Discussion questions for Brownie Troops working on the Pets Badge:

- Start a discussion with Brownies: “What does it take to care for a pet?”
- Ask Brownies to answer: “What happens to us or a pet when we do not have what we need?”
- Prompt Brownies to consider reasons why animals arrive at shelters or sanctuaries. If an animal doesn’t have a family, how do you think they feel?
- Ask Brownies to discuss how the Troop could help others care for pets. Then, present service-learning projects and allow them to choose how they will help!
