

DAISY DISCUSSION GUIDE

Discussion questions for Daisy Troops working on the Three Cheers for Animal Badge:

- Start a discussion with Daisies: “What do you need to take care of a pet?”
- Ask Daisies to answer: “What makes *you* feel happy and safe?”
- Prompt Daisies to compare the answers between the two questions. What is similar and what is different?
- Ask Daisies to consider ways they can help animals feel happy and safe. Present service-learning projects and allow them to choose how they would like to help!
