INDEPENDENT AUDITORS' REPORT

Board of Directors
Pasado's Safe Haven
Monroe, Washington

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Pasado's Safe Haven (the Organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pasado's Safe Haven as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pasado's Safe Haven and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

NOTE 1 PRINCIPAL ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization

Founded in 1997, Pasado's Safe Haven (PSH) is a nonprofit animal welfare organization offering comprehensive solutions to the complex problem of animal cruelty. PSH's vision is a world where every animal is recognized as an individual who is free from abuse, abandonment, neglect, and exploitation.

PSH offers an integrated approach to ending suffering for companion and farmed animals. PSH's comprehensive programs include the following (unaudited):

Sanctuary – The 85-acre sanctuary is home to approximately 200 animals, including dogs, cats, and farmed animals, most of whom arrived as victims of cruelty and neglect. PSH provides medical care and rehabilitation to allow these animals a second chance at life and works to find forever homes through their adoption initiatives.

Cruelty Investigations and Rescue – PSH is improving the way the criminal justice system responds to crimes against animals by investigating reports of animal cruelty and neglect, providing rescue for victim animals, and providing trainings for law enforcement, prosecutors, veterinarians, and animal control.

Education and Advocacy – PSH works to strengthen laws that benefit animals and help people connect with animals in new ways through public tours, events and educational programming. Collectively, this programming reduces suffering and grows compassion.

Pet Services – PSH is improving the pet related services available to income qualified families through wellness and spay/neuter clinics as well as pet food banks. This work not only keeps families together, it also reduces shelter overpopulation and unnecessary euthanasia.

PSH strives to make a significant difference in the lives of animals and the people who love them. The following is a summary of PSH's general impact in 2023 (unaudited):

Sanctuary

- PSH added to their medical capabilities with the addition of a full-time Veterinary Medical Director and established a fully-staffed onsite clinic.
- 318 animals were provided care and rehabilitation
- 161 animals were adopted into loving homes
- 550 volunteers logged more than 14,000 hours
- PSH expanded their comprehensive behavior training program for dogs, cats and pigs to remove behavior-based barriers to adoptions
- PSH maintained its accreditation from GFAS (Global Federal of Animal Sanctuaries)

**NOTE 1 PRINCIPAL ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Organization (Continued)

Cruelty Investigations and Rescue

- 164 cases of animal cruelty and neglect investigated or resourced in 59 jurisdictions across Washington State, many of which resulted in large-scale rescues
- PSH provided first of its kind animal cruelty training to over 200 Washington state judges and hosted 2 in-person classes to animal control officers from across the state.
- PSH provided digital animal cruelty training that is now available to all 10,000+ law enforcement officers in the state of Washington

Education and Advocacy

- PSH directly engaged with 2,000+ people through sanctuary tours, vegan cooking classes, plant-based meal popups and educational special events, and connected with 6,000+ students through humane education initiatives.
- PSH's grassroots advocacy successfully stewarded two key bills through to becoming WA law – HB 1234 related to animal forfeiture and HB 1424 related to retail dog sales.
- PSH continued to advocate for animals as the only local animal protection nonprofit with a presence in Olympia, WA; helping secure grant funding to support more plant-based meals in public schools.

Pet Services

- 3,384 spay/neuter surgeries performed for income-qualified clients through 215 clinics in three Washington counties, bringing the total number of surgeries performed since the program's inception to 66,650.
- 29,000 lbs. of pet food were distributed via local food banks to families with pets in need.
- PSH successfully launched a new collaborative partnership with other animal welfare group in WA to help tackle the ongoing issues of veterinary staff shortages and an overwhelming backlog of animals in need of spay/neuter.

Animal cruelty is a complex issue, and PSH knows that a thoughtful, coordinated response is necessary to work towards ending it. PSH believes its unique combination of programs fight the issue from every angle. PSH works not only to get laws changed, but also provide law enforcement, animal control and prosecuting attorneys with the training they need to enforce these laws effectively. PSH not only investigates animal cruelty and rescues animals from dire situations, but also provides sanctuary and medical treatment for these animals to heal while PSH works to place them in loving homes. PSH continues to work to educate the public about all the many ways they can help end animal cruelty, from reporting suspected abuse/neglect to spaying/neutering their animals, to eating plant-based diets.

PSH successfully completed a \$10M capital campaign in 2023 which enabled the organization to improve water, fire and road infrastructures and to improve animal housing sites which included a new Dog Towne, new Kitty City, new Cow Barn.

**NOTE 1 PRINCIPAL ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from the estimated amounts.

Financial Statement Presentation

PSH reports information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions. Contributions are recorded depending on the existence and/or nature of any donor restrictions.

Net Assets Without Donor Restrictions – Net assets available for use in general operations and not subject to donor (or certain grantor) restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor- (or certain grantor-) imposed restrictions. Some donor-imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. There are no net assets to be maintained in perpetuity for the year ended June 30, 2023.

Board-Designated Net Assets

During 2019, PSH's board of directors voted to create an operating reserve representing one year's worth of operating expenses. As of June 30, 2023, the operating reserve was \$3 million and is held in the same investment account as the other investments.

Fair Value Measurements

Fair value is a market-based measurement determined based on assumptions that market participants would use in pricing an asset or liability. There are three levels that prioritize the inputs used in measuring fair value as follows:

Level 1 – Observable market inputs such as quoted prices (unadjusted) in active markets for identical assets or liabilities;

Level 2 – Observable market inputs, other than quoted prices in active markets, that are observable either directly or indirectly; and

Level 3 – Unobservable inputs where there is little or no market data, which require the reporting entity to develop its own assumptions.

PSH reports its investments (discussed in Note 3) at fair value using Level 1 inputs (quoted prices on national exchanges).

**PASADO'S SAFE HAVEN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

**NOTE 1 PRINCIPAL ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Cash and Cash Equivalents

PSH considers highly liquid investments with an original maturity of three months or less to be cash equivalents. PSH has amounts deposited with a financial institution in excess of federally insured limits.

Contribution and Other Receivables

Receivables are stated at the outstanding principal balances and consist primarily of amounts due from bequests and pledges that are expected to be collected within one year. Management reviews the collectability of contributions receivable (and all other receivables) on a periodic basis and determines the appropriate amount of any allowance. PSH charges off receivables to the allowance when management determines that a receivable is not collectible.

Contribution Receivables – Capital Campaign

PSH records unconditional contribution receivables – capital campaign that are expected to be collected within one year at net realizable. Unconditional contribution receivables – capital campaign to be collected in future years are initially recorded at fair value using present value techniques incorporating risk-adjusted discount rates designed to reflect the assumptions market participants would use in pricing the asset. In subsequent years, amortization of the discounts is included in contribution revenue in the statement of activities. PSH determines the allowance for doubtful accounts based on historical experience, an assessment of economic conditions, and a review of subsequent collections. Contribution receivables – capital campaign are written off when deemed uncollectible. At June 30, 2023, the allowance was \$-0-.

Inventory

Inventory consists of merchandise to be sold through PSH's gift shop, dog and cat food stored in the food bank, and veterinary supplies used by PSH's in-house veterinarian. Inventory is valued at the lower of average cost or net realizable value. Costs are determined on a first-in, first-out basis.

Property and Equipment

Property and equipment are recorded at cost if purchased, or at fair value at the date of receipt if donated (unless the estimated future undiscounted cash flows expected to result from either the use of an asset or its eventual disposition is less than the carrying amount, in which case an impairment loss is recognized based on the fair value of the asset). PSH's policy is to capitalize assets with a cost greater than \$2,500 and a useful life greater than three years. Depreciation of property and equipment is computed by the straight-line method over the estimated useful lives of the assets as follows:

Contribution and Grant Revenue Recognition

Contributions and grants are recorded when cash, securities, or other assets, or an unconditional contribution receivable is received. Conditional contribution receivable, that is, those with a measurable performance or other barrier, and a right of return, are not recognized until the conditions on which they depend have been substantially met. During the year ended June 30, 2023, contributions and grants from two donors comprised of 9% of total support and revenue.

Bequest Revenue Recognition

PSH records bequests as revenue after (1) the death of the donor, (2) PSH is notified by the executor as to the amount of the bequest to be received, and (3) the estate has passed through probate. During the year ended June 30, 2023, no bequests from donors exceeded 10% of total support and revenue.

Special Event Revenue Recognition

Revenue from special events includes ticket sales and contributions. Special event revenue is recognized at the time of the event net of direct cost of benefits to attendees.

Program Fee Revenue Recognition

Program fees are earned primarily through adoption fees and spay station services. Program fee revenue is recognized at a point in time when the adoption or service takes place.

Contributed Nonfinancial Assets

Contributions of Nonfinancial consist of donated food, goods and supplies for animals, fuel, and auction items. These goods and services are valued at fair value on the donation date using the prices PSH would otherwise pay to obtain such goods or services.

A substantial number of unpaid volunteers have made significant contributions of their time to develop PSH's programs, principally in assisting operations and fundraising events. The value of this contributed time is not reflected in these statements, as it does not meet accounting requirements for recognition.

**PASADO'S SAFE HAVEN
NOTES TO FINANCIAL STATEMENTS

**NOTE 1 PRINCIPAL ACTIVITY AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(CONTINUED)**

Functional Allocation of Expenses

The costs of providing the various program services and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated between the program and supporting services benefited.

PSH allocates salaries and related expenses, professional services, and insurance based on estimates of employees' time and effort by function. PSH allocates marketing expenses based on the benefits received and depreciation based on the functional use of the asset.

Advertising

PSH expenses advertising costs as incurred. Advertising expenses for the year ended June 30, 2023 were \$202,892.

Income Taxes

PSH is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code.

Change in Accounting Principle

In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. This new standard increases transparency and comparability among organizations by requiring the recognition of ROU assets and lease liabilities on the balance sheet. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases. The adoption of this standard did not have any significant impact on the accompanying financial statements or disclosures.

Subsequent Events

PSH has evaluated subsequent events through March 13, 2024, the date the financial statements were available to be issued.

NOTE 2 LIQUIDITY AND AVAILABILITY OF RESOURCES

PSH regularly monitors liquidity required to meet its operating needs and other contractual commitments while also striving to maximize the investment of its available funds. PSH has various sources of liquidity at its disposal, including cash and cash equivalents and mutual funds.

**PASADO'S SAFE HAVEN
NOTES TO FINANCIAL STATEMENTS
JUNE 30, 2023**

NOTE 2 LIQUIDITY AND AVAILABILITY OF RESOURCES (CONTINUED)

For purposes of analyzing resources available to meet general expenditures over a 12-month period, PSH considers all expenditures related to its ongoing program activities of investigations and rescue, pet homelessness prevention initiatives, education and advocacy, and sanctuary operations as well as the conduct of services undertaken to support those activities to be general expenditures. In addition to the financial assets available to meet general expenditures over the next 12 months, PSH operates with a balanced budget and anticipates collecting sufficient revenue to cover general expenditures not covered by donor-restricted resources.

The following table shows the financial assets held by PSH available to meet general expenditures over the next 12 months as of June 30:

PSH provides a 401(k) plan (Plan) for its full-time employees. PSH may make discretionary contributions which a total of \$15,046 was contributed to the Plan for the year ended June 30, 2023.

NOTE 7 NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of unexpended contributions restricted for particular purposes or time periods. Net assets with donor restrictions are transferred to net assets without donor restrictions as expenditures are incurred for the restricted purpose or as time restrictions are met unless restrictions relate to capital projects. If the restriction is related to capital projects, the restrictions are released when the asset is placed into service.

Net assets with donor restrictions consist of the following at June 30:

NOTE 8 CONTRIBUTED NONFINANCIAL ASSETS

PSH received the following contributed nonfinancial assets as of August 31:

Animal Goods and Supplies	\$ 52,194
Auction Items	70,791
Animal Food	47,102
	<u>\$ 170,087</u>

All donated assets were utilized by PSH's programs and supporting services. The value of the gifts were determined based on the value at the date of donation, which approximates fair value. Animal goods and food are valued at the cost PSH would otherwise have to purchase the goods, including bulk animal food. There were no donor-imposed restrictions associated with the donated assets.
